For the furniture drops, the instructions in the sheets mention not more than 5 chairs must be in a stack. They were left as stacks of 10 from last shift, so BM asked L5 just to confirm, who said that the 5 chairs in a stack is for tomorrow when restacking the chairs after the guests use them. BM agreed and decided to leave them as stacks of 10.			

1:05 am: When doing the closing rounds, BM found people working in the FSL office (Including Travis Crudele-Roberts who is the FSL professional staff). When BM told them the building is closed, Travis replied that they were allowed to be there past the building closing time. BM acknowledged it.
